

Coldplay - Clocks
Title : Clocks
Artist : Coldplay
Album : A Rush Of Blood To The Head
Capo : none
Setting : E-A-D-G-B-E

2 VERSIES :) even kijke welke hieronder

Although this tune is mainly a piano piece, lots of people were requesting it so being a pianist as well as a guitarist, I thought I'd tab it for you. I suggest as it is Eb that you play it with a capo on the 1st fret.

NOTE THAT THE TAB IS FOR A GUITAR WITHOUT A CAPO!!!

Chords - with capo 1st fret

Lights go out and I can't be saved
Tides that I tried to swim against
You've put me down upon my knees
Oh I beg, I beg and plead (singing)
Come out of things unsaid, shoot an apple of my head (and a)
Trouble that can't be named, tigers waiting to be tamed (singing)
You are, you are

Confusion never stops, closing walls and ticking clocks (gonna)
Come back and take you home, I could not stop, that you now know (singing)
Come out upon my seas, curse missed opportunities (am I)
A part of the cure, or am I part of the disease (singing)

You are (x6)
And nothing else compares
Oh no nothing else compares
And nothing else compares

You are (continues in background)
Home, home, where I wanted to go (x4)
