[1]

A E D A E  
You might believe in heaven, I would not care to say  
A E D A  
For every star in heaven, there's a sad soul here today  
D Bm  
Wake up in the morning with a good face  
E A  
stare at the moon all day  
D Bm  
Lonely as a whisper on a star chase  
E E7sus4  
does anyone care anyway?  
A E  
For all the prayers in heaven  
D F A E D E7sus4 A  
so much of life's this way

[Chorus:]

A  
Did we leave our way behind us?  
(A)  
Such a long, long way behind us?  
D  
Who knows when, now who knows where?  
A  
Where the light of day might find us?  
D7 A  
Look for the day.

Take heart, my friend, we love you  
though it seems like you're alone  
A million lights above you  
smile down upon your home  
Hurry put your troubles in a suitcase  
Come let the new child play  
Lonely as a whisper on a star chase  
I'm leaving here, I'm gone away  
For all the stars in heaven  
D F A  
I would not live, I could not live, this way

A  
Did we leave our way behind us?  
Such a long, long time behind us?  
D  
Leave it for some hopeless lane  
A  
Such a long, long way  
Such a long, long way  
A7  
Such a long, long way  
A D F A  
I'm looking for, still looking for that day
