Repeat first part of verse with following words:

Rainy afternoon I gotta blow a typhoon
And I'm playing on my slide trombone
Anymore, anymore cannot take it anymore
Gotta get away from this stone cold floor

Chorus

Walking down th street
Shooting people that I meet
With my rubber Tommy water gun
Here come the deputy
He's gonna come and getta me
I gotta get up and run
They got the sirens loose
I ran right outa juice
Theyr'e gonna put me in a cell
If I can't go to heaven
Will they let me go to hell?
