Once I believed in everyone, everyone and anyone can see

Oh the night comes down, and I get afraid, of losing my way

Once I could laugh with everyone, once I could see the good in me
The black and the white distinctively, coloring, holding the
world inside
Now all the world is grey to me, nobody can see
(you gotta believe it)

and it's dark again
Em7 A7 Em (more ad-libbing,
and it's dark again blending into "Good King Rat")
