

do what you do, down on me
[INTRO]
now there's not even breathin' room
between pleasure and pain
yeah, you cry when we're makin' love
must be one and the same

[VERSO 2]
it's down on me
yeah I got to tell you one thing
it's been on my mind, girl I gotta say
we're partners in crime
you got that certain something
what you give to me takes my breath away
now the word out on the street is the devil's in your
kiss
if our love goes up in flames it's a fire I can't
resist
