I´ll be back

```
A-Am                    Em                 Am
    You know, if you break my heart I´ll go
     E              A
but I´ll be back again
       Am           Em             Am
´Cause I, told you once before goodbye
    E             A
but I came back again.
           F#m
I love you so
                 Bm
I´m the one who wants you
                    E
yes I´m the one who wants you
D  E   D   E
oh ho, oh ho.
Am             Em               Am
You could find better things to do
         E               A
than to break my heart again
      Am         Em                Am
this time I will try to show that I´m
       E          A
not trying to pretend.
Bm                         C#m
I thought that you would realize
          F#m
that if I ran away from you
      Bm
that you would love me too
      D                  E
but I´ve got a big surprise
D  E   D   E
oh ho, oh ho
Am              Em               Am
You could find better things to do
          E               A
than to break my heart again
      Am          Em               Am
this time I will try to show that I´m
       E          A
not trying to pretend.
        F#m
I wanna go
                Bm
but I hate to leave you
                     E
you know I hate to leave you
D  E   D   E
oh ho, oh ho
Am           Em                Am
You if you break my heart I´ll go
     E             A         Am-A-Am-A
but I´ll be back again.
