

The Night Before

-----

D-F-G-A

D                            F G            A  
We said our goodbyes (the night before)  
D                            F G            A  
love was in your eyes (the night before)  
Bm                    Gm    Bm                            Gm  
now today I find, you have changed your mind  
D                            G                            D            F-G  
treat me like you did the night before.  
D                            F G            A  
Were you telling lies (the night before)  
D                            F G            A  
was I so unwise (the night before)  
Bm                            Gm    Bm                            Gm  
when I held you near, you were so sincere  
D                            G                            D  
treat me like you did the night before.  
C    G  
Last night was the night I will remember you by  
Bm  
when I think of things we did  
A  
it makes me wanna cry.  
D  
We said our goodbyes...
